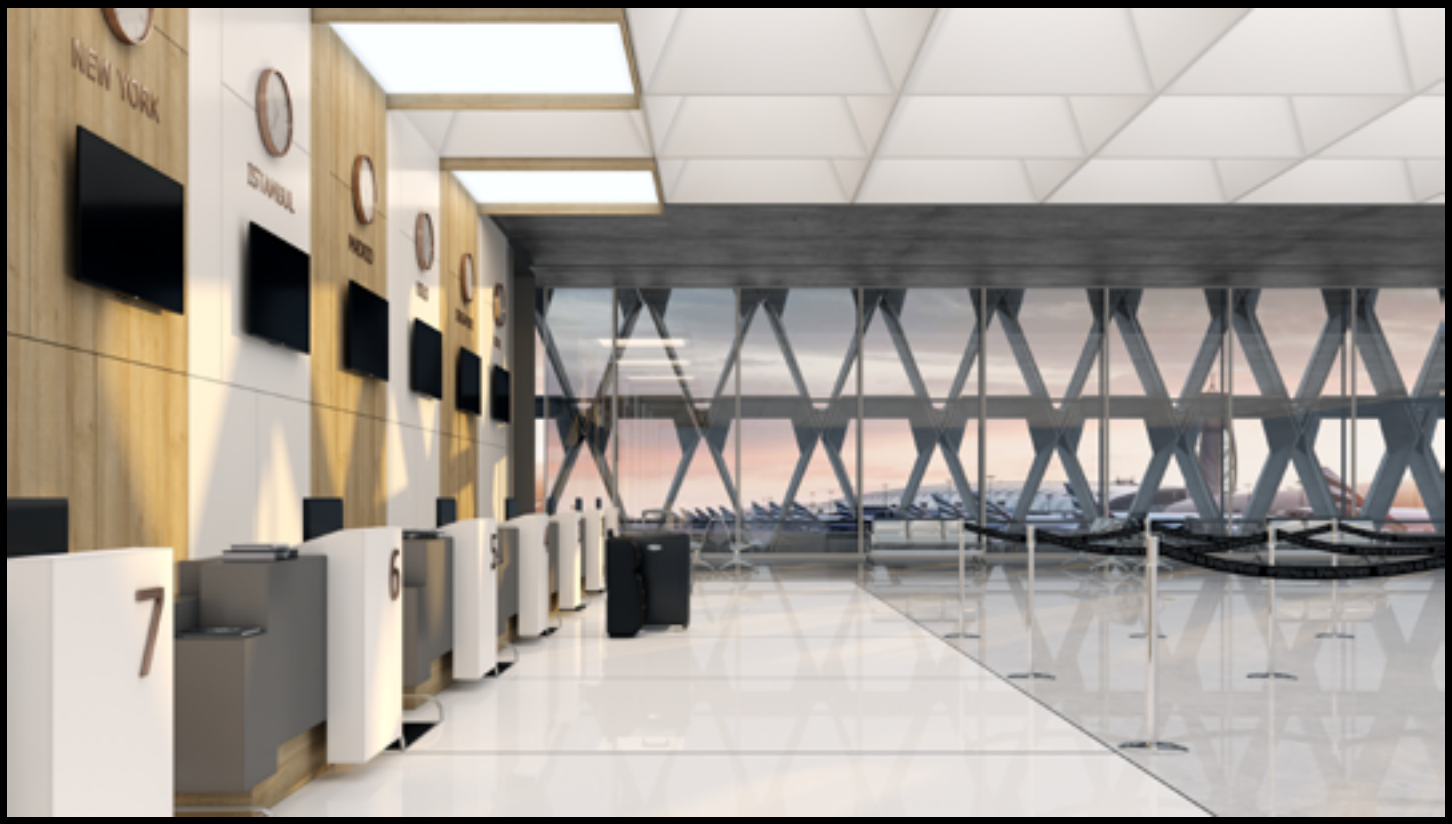
SURFORMA®
Shaping Spaces

Collection



Ultra Smooth

Surface matters! SURFORMA® Ultra Smooth is an elegant and warm to touch laminate with anti-fingerprint properties, which prevent the appearance of marks on the surface. This range is perfect for surface applications that require a look of understated quality and refinement.

Ultra Smoth

In addition to its silky and warm texture, **Ultra smooth** superficial micro-scratches can be repaired thermally.

Velvet

The smooth and elegant matt surface has a pleasant touch that is soft and evokes luxuriousness. **Velvet** has a post-forming capacity.

Polytop

Polytop stands out for its smoothy texture and post-forming capacity.
